	Objective set within the Ofsted report	Actions required (who, when, cost?)	Autumn	Spring	Summer		
1.	Ensure that there is clear sequencing of the essential knowledge in all subjects, and that staff have the necessary expertise and subject knowledge to implement the curriculum effectively.	 Clear programme of monitoring and CPD from AH and subject leaders throughout the year to maintain standards and build on progress. Continue to access support from trust leaders and subject specialists as appropriate. 					
2.	Ensure that assessment is effectively used to identify gaps and misconceptions in pupils' knowledge, and that teachers adapt teaching and learning accordingly.	 Monitoring focus from AH and subject leaders on assessment and impact, including focus on foundational skills. Detailed data tracking to inform PPMs and interventions. 					
3.	Ensure that all staff have consistently high expectations of behaviour, and that behaviour is managed in line with school policies.	 Relational approach training refresher to be delivered on September INSET day. Support to continue from trust SEND leads as necessary. BLP programme to be relaunched and further embedded (see below).
